Possible key questions for reflection include: How does self-knowledge help teachers positively shape their professional lives? How does school culture shape the day-to-day life of teachers and how do you identify a school culture that is right for you? How does the current emphasis on standardized testing impact the life of a teacher and how can teachers positively respond to this? What does it mean to be a role model and what are the challenges and opportunities presented by this social role? What does community mean and how are teachers participants in and facilitators of positive community?Exploration of these questions will occur through student centered, hands-on, and interactive classroom activities

Description: In this service-learning course, students will engage in workshops/learning activities for academic and professional support. A major emphasis in the course will be exploring and preparing applications for various STEM opportunities - research experiences for undergraduates, internships, and more. Over the course of the semester, students will also engage in service at the WonderLab Museum of Science, Health, and Technology. The overall goal of the course is to support students to develop key academic and professional skills necessary for success in college, with a focus on STEM.

EDUC-F 203 TOP EXPLORATION IN EDUCATION (1 CR)

VT: GUEST(SUB) TEACHING: GUIDE TIPS

CLSD 36193 ARR ARR WB WEB Thomson S 19 0 0

In this 1 credit, 8-week class you will learn and develop classroom management and teaching strategies to prepare you to serve as a substitute teacher with Indiana school districts. Through the coursework, you will: develop practical classroom experience including creating a safe, healthy, supportive and inclusive learning environment; develop classroom management strategies conducive to maintaining a positive learning environment; acquire knowledge of teaching strategies to differentiate instruction for students with various needs; and understand the professional behaviors and dispositions of a substitute teacher.

While the state of Indiana requires all Substitute Teaching permit applicants to be 18 years old, all SOE students can enroll in this course

		Open only to students who have experienced at least one semester of Academic Probation AND who have successfully completed either EDUC-X 158, EDUC-X150, or EDUC-X156. EDUC-X 157 offers continued support for academic recovery, whether students are back in Good Standing, continuing the Academic Probation process, or recently reinstated. Course is co-taught by Peer Instructor who understands academic recovery! Students use in-class journaling as well as various tools and resources to help hold themselves accountable for their education. Students also complete an engagement project (getting involved with a campus organization or resource) to deepen their commitment to their educational experience at IUB.

<p>Open to all students Will you be navigating IU's beautiful campus for the first time this Fall? Wondering how help resources work and how to feel more comfortable using them? Seeking to expand your college experience ? Building those personal connections is the central focus of this course! We'll take trips and invite guests to discover all the amazing opportunities here, help you figure out fun and useful ways to get involved in campus life, and share our experiences with each other in a warm, supportive environment. Best of all, there will be many opportunities for multicultural dialogue and forming friendships in a small group. It's all the stuff you want to know about IU, inside and outside of the classroom, except with this class you get credit for it! Questions? Please email Anthony Guest-Scott - aguestsc@iu.edu. For information regarding this program, please see "Outreach" under the Collaboration and Outreach tab on the IU School of Education website.

A requirement for this course is to attend the Saturday Science Quest program on campus for five consecutive Saturday mornings (8:30 am-12:30 pm approximately). Dates will be determined in August but usually the program runs from mid-October to mid-November. This program serves as the field experience for this course and participants will be teaching science to children each week as part of the program.

Above class is a temporary holding section for unassigned major performance study. Students who register by the first Tuesday of the term will be administratively reassigned to an appropriate permanent class by the end of the first week. In addition to registering for a holding section, students should also register for the holding master class section under Jeremy Allen's name (MUS-I 300 for undergraduate students, or MUS-I 500 for graduate students). Students who register in the Dean's holding section master class will also be administratively reassigned to the appropriate studio master class, if available
